

SUN SPICE CAS

IT'S MORE THAN A CASING!

SUN SPICE CAS casings are the first high barrier casings with spice coating inside. A long shelf life of the stuffed products allows an unbelievably high production flexibility for the producer.

THE ORIGINAL!

Applications:

- Cooked products
- Cooked hams and cooked ham products
- Poultry products
- Processed cheese

Availability:

- CAS V – Barrier
- CAS PNP – High barrier
- Tape sealed casings
- FW 100 mm up to FW 265 mm
- Coated length up to 1600 mm
- With clip support – 1 side or 2 sides or without clip support
- Both ends open or 1 end clipped or square sealed

Use/process:

- No soaking
- Stuff tightly to nominal diameter
- Continue as usual

Advantages:

- Can be stuffed semi-automatically
- Longer shelf life
- Production flexibility
- No aroma loss
- No weight loss
